BRINGING MODERN COMFORT TO YOUR HOME

Applications

Pressure boosting

The intensity of the water pressure, reliable and consistent temperature, the strong, invigorating spray... the Grundfos CM-PM 1 series pressure booster system is ideal for instant water heater showers while providing strong, constant water pressure around your house and garden.

The CM-PM 1 series is a compact, quiet yet powerful multi-stage pump with built-in pressure control and maintenance free design. Major pump components are manufactured from corrosion and wear resistant stainless steel for a longer life-span.

Gardening

With superior Danish technology, sterling quality and the fact that only Grundfos pumps are SIRIM certified, you are assured total peace of mind and satisfaction when you choose Grundfos.

Grundfos, bringing modern comfort to your home.
